PRESSES

~ Bucher RPS 5000 liter bladder press; 1988 with new control panel

~ Bucher RPZ 150 tank press with 2 door overhead hopper, 3 year old new bladder and only been used for whole cluster chardonnay. Great condition and priced to sell!

~ Vaslin Screw Press; 3 ton capacity with s/s drum

~ Wilmes 2300 liter bladder press with auger discharge/ floating tray; condition good

~ **Wilmes Tank Presses (3) 25,000 liter available for fast sale !! (2) units 1991 and (1) unit is 1986- spare bladder never installed for 1986 unit.**

~ Valley Foundry 2300 liter bladder press (all s/s) with overhead hopper and juice tray

~ Europress hydraulic basket press with (2) s/s baskets; 1,450 liter capacity; 2005!

~ Wilmes TP 8000 liter tank press in good condition; 1983

~ Marzola 2 ton press with wooden basket

~ Revinsa 2.5 ton press with (2) wooden baskets

~ Revinsa 20 hl & 25 hl presses with (2) stainless steel baskets; excellent condition!

~ Enorossi Compact 80 Olive Oil Press; in "like new" condition

~ Mearelli SG 200 continuous press; powered at 110 volt, single phase (great for apples or fruit press)

~ Mearelli PC 10 continuous press; powered at 110 volt, single phase. Stainless steel contact parts

FILTERS

- ~ Cuno 2-stack Filter housing; 12", two available
- ~ Padovan 9 sq meter DE Filter; 2000 vintage with horizontal plates; great condition!
- ~ Gusmer Cellustack Housings (1) available
- ~ Sartorius Filter Housings (2) available, 3 round x 36" high
- ~ Cadalpa plate & frame filter with (55) norell plates, size 40 cm x 40 cm (15" x 15") with manual closure and stainless steel drip pan; 1998
- ~ Della Toffala 4 sq meter DE Filter; 2003
- ~ Two (2) Millipore Round Filter Housings; 12 round on skid
- ~ Schenk plate & frame with (25) plates, size 40 cm x 40 cm with s/s drip pan and manual closure
- ~ Strassburg plate & frame filter with (25) plates, size 40 cm x 40 cm with manual closure and s/s drip pan
- ~ Shriver Eimco Lee's Filter with hydraulic ram in good condition. Extra pads with plates included
- ~ Schenk Plate & Frame Filter with 30 stainless steel plates, size 23" x 23". Can hold 100 plates
- ~ Velo 3-square meter DE Filter with vertical plates
- ~ Velo 5-square meter DE filter with horizontal plates; plates in good shape
- ~ Westfalia SA 82 Centrifuge; 1973
- ~ Westfalia SB 80 Centrifuge; Two available; 1974
- ~ Westfalia Type CA 505 Decanter; 1992
- ~ Tube in tube must chillers; 25 tph capacity
- ~ CE Lee's Filter with (50) plates; size 60 cm x 60 cm, hydraulic assist closure and dosing pump; all stainless steel & in great condition!
- ~ Tube in tube heat exchanger in "like new" condition. Rated at 70 tph; reduced for quick sale!
- ~ Three (3) tube in tube heat exchangers; 18-20' long x 4 pass each. Older units, but would be great for heating/ cooling wine. Currently mounted to cement wall, but could easily be mounted on mild steel aluminum carts with wheels

PUMPS

- ~ Bredel Peristaltic Pump, model SP65 10 tph; 2004
- ~ Centrifugal Pump with vari-speed, remote, 2" x 1-1/2"; 2007, capacity 80 gpm
- ~ Manzini model SM 120 & 190's; Two of each available, in excellent condition!
- ~ Kiesel SP 16 Progressive Cavity Pump with sump; 1993 with spare stater.
- ~ Verderflex Peristaltic Must Pump with 3" tc in excellent condition
- ~ BCM Flexible Impeller Pump with 3" tc inlet/ outlet; 1998; variable speed & remote

~ Zambelli Flexible Impeller Pump with 2" tc inlet/ outlet with variable speed & remote

DESTEMMERS/CRUSHERS

~ Mistral 100 NG destemmer/ crusher; newer vintage in "like new" condition; 4-6 tph capacity
System has automatic berry sorting system; removing rotten berries, shot berries, raisens, etc.

~ Delta E2 with (2) baskets, rollers

~ Marzola Destemmer with Must Pump; 1998

~ Delta E1 with crushing rollers; 2004 (crushing rollers are separate from unit)

~ Delta E1; 2004 in "like new" condition on high stand

~ Amos ADA 50 S; 1987 destemmer/crusher; 1987; 50 tph capacity

~ Delta E2 with new basket (HDF cage 18-22 mm) with crushing rollers; 1998

~ Delta E2 with 18 mm basket, crushing rollers, variable speed, cip; 2002

LABELERS

~ AME Pressure-Sensitive Labeler in-line for bf/bb at speeds up to 150 bpm

~ Gai, model 6063 capsule applicator, 2 head heads for polylam capsules, 6 head spinner and body front, body back pressure sensitive labeler (can handle tapered bottles) new in 2004

~ Imprestik, model VAC 4000; 2000 pressure sensitive labeler for body front/ body back & neck labels at 125 bpm.

~ Mustang model 315LFB cold glue labeler for body front, body back at 80-100 bpm on 750 ml; 1994 vintage in great condition!

~ Quadrel in line pressure sensitive labeler for bf/ bb and tapered; 150 bpm 2003

~ Kronos Robusta cold glue Labeler for bf/bb at speeds up to 150 bph; low hours. Two available

~ Mustang cold glue Labelers for bf/bb, in line; Three available

~ Mecamark pressure sensitive semi automatic labeler for body front/ body back; 20-25 bpm

BOTTLING EQUIPMENT

- ~AVE 12 head counter-pressure filler; 1994
- ~ AVE 12 head bottle sparger/ washer; 1994
- ~ AVE single head corker (for still & champagne corks) 1994
- ~ Gai,model 6063 Capsule applicator, two head heat shrink, 6 head spinner and body front, body back labeler (can handle tapered bottles); 2004
- ~ Gai model 2501- 12 spout filler with single head sparger & single head corker, 4 head Gai spinner with pack off table & M & D Pressure sensitive labeler for body front/ body back 1999
- ~ Apsol Case Sealer for top seal only, with Nordson Hot Melt unit; 2008
- ~ Gai 16 head filler with single head corker; 1996 with many change parts with
Gai model 4606 DTL capsule applicator, single head heat head and 6 head spinner; 2002.
Complete this package with a Mc Brady 100 and a Quadrel PS labeler for bf/ bb and tapered. Line runs great a 60 bpm. Numerous change parts!
- ~Nortan Unicap 35 Capsule Applicator; with (2) heat heads. Change parts for 12 bottle sizes. Unit only 5 years old and in excellent condition! Powered at 480 volt, 3 phase; East Coast
- ~ Mc Brady, model 220 (double pocket) sparger, Promac Bottle Cleaner (Gripstar)
Includes Mc Brady model 200 Sparger, Bertolosa Ambra 32-head Filler, Bertolosa 6-head Corker, Norton Capsule Applicator with 12-head Spinner, all conveyor and drives for operation; 1996
- ~ Gai, model 2452 TOP; filler/ corker & ropp capper; used for only 1,000 case production!
- ~ Cobert 16-head Filler, Jagla Sparger, and Bertolosa single-head corker with vacuum
- ~ Pierre Dosage Machine, model MDO 14; 1982
- ~ Pneumatic Scale 24-head Filler (previously filling brandy)
- ~ Bertolosa Mini Bloc with 16-head Filler with single head corker monobloc); 2006; change parts for 375, 750 and 1.5 liter. Excellent condition!
- ~ Arol 4 head spinner
- ~ Robino & Gallandrino 4 head capsule spinner with safety glass (recently overhauled)
- ~ Nortan Capsule Applicator with 8 head spinner; model PRISMA 80 R; 1989
- ~ Sentry Accumulation Table; bi-directional; 10' x 12'

GRAPE RECEIVING & MISCELLANEOUS EQUIPMENT

- ~Diemme vibrating table with 1/2 ton grape receiving hopper; 3' wide x 20' long; variable speed; 480 volt, 3 phase
- ~ Sierra Mfgr Bin Turner; set up for 1/2 ton bins, like new condition
- ~ Stainless steel hopper with superstructure, variable speed, 1/2 ton capacity
- ~ Big Foot Punch Down device (will handle 6' diameter tanks)
- ~ Stainless steel sump on wheels with 6" camlock outlet; 1 hp motor
- ~ Della Toffala Surface Scrape Chiller (5 ton capacity); 1994
- ~ Badger Flow Meter, magnetic drive on cart; 50 gpm, 2" inlet/ outlet
- ~ Jib Crane (**never installed**) 500 lb wall mounted unit; mfgd by Gorbel
- ~ Weightronics Floor Scale with 5,000 lb capacity; 4' x 4'
- ~ Four (4) barrel carts; great for moving barrels around cellar
- ~ Pedia SR 16 heat/ cooling unit; powered at 480 volt, 3 phase
- ~ KEW, pressure washer, model 52C 3KA heavy duty series; 440/ 3 phase`
- ~ Pacific Ozonator, model SO A21; 2000 vintage
- ~ Moog Barrel Washer, automatic 2 head unit; new in 2004, GREAT PRICE!
- ~ Sierra Hopper with incline; conveyor is belted & 16' long at a 30-degree angle; 2007
- ~ Three (3) Westec Pumpover carts with screens; 37" x 24" with (2) 2" tc outlets; valves & fittings included!
- ~ 1,500 wooden triage bins
- ~ Grape receiving Hopper 20' with 12" finned screw (3) available
- ~ Palace Packaging Cork Cleaner and transporter; newer vintage
- ~ Refrigeration Technology 15 ton refrigeration with glycol reservoir & air compressor
